1. 09-08-2003 / 1116hrs.
Seattle and police responded to a fire located at the above address. At the time of the fire there were four transient occupying the abandon motel. These four transients stood by while police and fire arrived. Witnesses had observed and video taped two of the transients exiting the building at the time of the fire. The fire department extinguished the fire and Fire Marshall Tony Little requested Arson / Bomb Squad to respond.

2. 09-08-2003 / 1200hrs.
I responded and arrived at the scene. Fire Marshall Little advised me that he had briefly interviewed the four transients that were found exiting the building. I interviewed the four following individuals at the scene:

Meredith A. Billington W/ F/ 05-06-1987 a.k.a. Alicia Virginia Billington 10-04-1983
1020 Virginia St.
Seattle, WA.

RETAINED

Billington stated that she had been staying in the abandon motel for approximately 3-weeks. At the time of the fire she and her friend Adam Evans were sleeping inside the motel with her dog. Billington stated that their room was located through a north facing door which she entered into the motel and then crawled through two holes in the walls to the west. Billington stated that her dog alerted them to the fire and Evans tried to kick out their window but it was boarded up. Billington stated that Evans was able to kick out the window located in the room just to the east where they climbed out but their dog was left inside.

Billington stated that they use flashlights and lighters to make their way around in the dark. Billington stated that they do not cook or have candles lit in the motel.

I asked Billington if she knew how the fire may have started. Billington could not provide an accidental cause but stated that if it was started on purpose she would suspect a person known to her only as "Mike". Billington stated that "Mike" was kicked out of the motel approximately 3-weeks ago. Billington stated that "Mike" was kicked out due to not involving himself in a fight where a mutual friend was getting beat up at the Home Depot. Billington

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THIS REPORT IS TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE AND BELIEF(RCW 9A.72.085)

stated that after they kicked "Mike" out of the motel he made statements that he would burn the place down and shoot all who was running out of the building. Billington stated that she has not seen "Mike" since the time they kicked him out and didn't see him today.

Billington was taken to the Seattle Justice Center where she was fingerprinted, photographed and booked for outstanding warrants and trespassing. Billington had provided me a false name that was discovered at the time of her booking. Billington's true name is noted above.

I then interviewed Adam Evans. Evans provided the same information as Billington.

Adam J. Evans W/M 11-25-83
206-736-5984 voice mail

I then interviewed Jessica Trimble. Trimble stated that she and her boyfriend, Marcus Radley had been living in a room at the far northeast end of the motel (a video taken by a witness confirmed this information). Trimble stated that they were awoken from the smoke and pounding coming from the west end of the motel. Trimble stated that they walked out of the motel and waited for the fire department.

Trimble stated that they were living in the motel for approximately the last month and during this time they had kicked out a person known only to her as "Mike". Trimble stated that "Mike" was kicked out because he failed to involve himself in a fight where some of their friends were getting assaulted in the Home Base parking lot. Trimble could not provide any further possible suspect information.

I then interviewed Marcus Radley. Radley confirmed the same statement that Trimble had just given. Trimble could not provide any suspect information.

3. 09-10-2003 / 1610hrs.

Received a telephone call from Jessica Trimble. I obtained a taped statement from Trimble. Trimble advised me that she felt the suspect who may have burned the motel down was a person she knows only as "Margie". Trimble stated that she and some friends were in Westlake Park when they met with "Margie". Trimble stated that when she arrived into the park. Trimble advised me that she was at Westlake yesterday and spoke with a person she knows only as "Margie". Trimble stated that she walked into the middle of a conversation where some of her friends were accusing "Margie" of burning down the motel. Trimble stated that "Margie" gave several alibi's. ON 9-8-03 AT ABOUT 1115 I HEARD THE SOUND OF FIRE ENGINES AND SMOKE. I LOOKED OUT THE NORTH WINDOW AND SAW SMOKE BILLOWING UP INTO THE SKY. I WENT TO THE BALCONY WITH MY VIDEO CAMERA AND SAW SMOKE AND FLAMES COMING FROM THE NORTHWEST WINDOWS AND ROOF. ON THE EASTERN END, I SAW DARK BLACK SMOKE COMING FROM THE WINDOW. AFTER TAPING THE FLAMES FOR A FEW SECONDS, I SAW A GUY WEARING ALL DARK CLOTHES AND A RED BACKPACK COME OUT A DOOR ON THE EASTERN END OF THE NORTH SIDE, FOLLOWED BY A WIFE WITH BLONDE HAIR ALSO IN DARK CLOTHING WITH A JACKET OR SHIRT CARRYING WHAT LOOKED TO BE PERSONAL BELONGINGS. I HEARD THEM ASKING A THIRD PERSON IF THEY SAW THE CAT. I NEVER SAW THIS THIRD PERSON. THEY LOOKED AROUND REAL QUICK BEFORE WALKING WITH ACROSS THE PARKING LOT.

WHEN POLICE ARRIVED, I TOLD ONE ABOUT THEVIDEOTAPE I HAD. I TURNED CUSTODY OF THIS TAPE OVER TO OFFICER J. MAHAR (5992). HE THEN TOOK ME TO WHERE SOME OF THE KIDS WERE STANDING AND IDENTIFIED THE TWO PEOPLE I SAW EXITING THE BUILDING.

NAME (LAST, FIRST, M.I.) Pote, Jon G. #4257 Unit 621		DOB

At 1117 hours on September 8th, 2003, I was working unit 1-B-3 and responded to a request for traffic control at a fire, located at the old Rest Inn Hotel at N. 115 and Aurora Ave. North. I arrived at 1121 hours and advised radio that we would need units on all three sides of the fire to direct traffic. The structure was fully involved and I could see numerous other Fire rigs still responding. I realized that Fire would soon have most of Aurora blocked and I requested radio have additional units block traffic at Aurora and Northgate Way and N. 125 and Aurora. At about 1130 hours I noticed a group of individuals standing in the 11500 block of Aurora N., just north of the fire scene. They were standing directly in the smoke from the fire. I yelled and motioned for the group to back away from the fire. One subject, later identified as Radley, Marcus R. W/M 02-02-85, transient, started yelling something at me but I could not hear him. I walked over to Radley and he yelled, "I've got two dogs and a cat in there!" There was a firefighter standing near us so I had Radley tell him about it. Radley then started complaining to me about his animals being in there. Radley was obviously with two W/F's about 20 and an A/M about 20. I told them that they were fighting the fire the best they could, that they weren't going to risk the life of a firefighter to try and save an animal. I asked Radley if they were in there [The Rest Inn, which is a closed down motel]. Radley said that they were staying in the motel and the owner knew it also. I then went to ask Radio for a second watch unit to contact the group about the incident, but my portable radio had gone dead. I told them to wait over on the sidewalk and we would be with them soon. There were no other police officers around me so I returned to my patrol car, which was about 150 feet away. Once in my car I radioed for a second watch unit to contact the group of four about the fire as I backed my car so that it was closer to the group. Unit 2-U-95 responded and I contacted Officer Baseley. I pointed out the group of four and told Baseley what Radley had told me. I observed Officer Baseley and Officer Marley contact the group of four and I returned to traffic control until I was relieved.
